Dear Mr Tapan Kumar,

On behalf of A.P. Moller Singapore, we would like to thank Seachef for the time and effort that have been dedicated in the victualling management project.

Seachef worked hard in trying to ensure that our vessels kept to the guiding budget that was agreed. They were prompt and efficient when responding to enquiries from the vessels and our office and sought hard to reduce the victualling budget. We acknowledge this positive attitude that was displayed by Seachef.

We appreciate the services rendered to the 4 vessels over the span of 8 months and we look forward to working with Seachef again in future should an opportunity arises.

Sincerely,

Pei Shyuan Yeo
